## MESSAGE FROM THE PRINCIPAL

The month of November has been an eventful one at St. Joseph International School, Aralvaimozhi. Academic activities were given maximum focus as usual and a better learning environment and approach were adapted. I am extremely elated to state that students have shown tremendous progress in every area during the month.

The month witnessed a series of activities on the school premises. Students actively participated in the creative activities which were organized on the 'no bag day' and their participation was exemplary during the Club Activity day. The Kindergarten students entertained their parents and grandparents during the second edition of the Cultural Fiesta 2023. It's heartening to see our students who initiated an activity by collecting dry ration from the students and staff of the school for donating them to the old age homes and the orphanages in our locality. I would like to appreciate the student leaders, the contributors, their supportive parents and the teacher coordinators for collecting such a large amount of ration. I am sure our children had a lifetime learning experience during their visit to these homes.

I would also like to congratulate the twenty students who represented our school at the Dakshin Sahodaya Inter-School Taekwondo competition at Tirunelveli and twelve of them won medals.

Our talented teachers put up a scintillating programme for the students on the Children's Day and exhibited their love for the children.

Dear students and teachers, let us stride forward to achieve greater heights in developing your overall growth and become role models to our great nation.

**With Best Wishes**

**P. Eskalin Gonsalves**
